Palliative care symposium

How can palliative medicine help when organs fail? Challenges in non-malignant disease

Venue: Royal College of Physicians and Surgeons of Glasgow
Date: Friday, 4 November 2016

Why attend?
Attending this symposium will give you the most up-to-date information on the rapidly changing specialty of caring for patients with palliative needs, across a variety of settings.
Focussed on case-based learning, with input from both doctors and AHPs, the programme aims to facilitate discussion and increase knowledge in this varied subject area.

Who should attend?
- Palliative care physicians
- General and acute physicians
- Geriatricians
- Clinical nurse specialists
- AHPs
- Trainees
