

CPD Study Days 25–26 September 2017

Event organisers: Dr Peter Groom and Dr Michael Goulden | Registration fee: £355 (£270 for RCoA registered trainees)

Network: **rcoa**

Password: **rcoa-purple**

10 CPD credits anticipated

Our CPD Study Days are designed for busy doctors, to efficiently maintain competence and aid with revalidation in anaesthetic and surgical practice.

These study days will provide updates on new treatments and techniques, including top tips on improving performance, from specialists in the clinical field. You will also have access to experts who will equip you with new skills to better cope with the demands of everyday working life.
