

Medical Complications in Pregnancy

for Obstetricians, Physicians, and Obstetric Anaesthetists

14 - 16 November 2018

This annual course, now in its 24th year, is highly relevant and appropriate for all consultants and trainees caring for pregnant women with medical disorders. It provides the theoretical element of the RCOG ATSM in Maternal Medicine.

Leading specialists from the UK and overseas will discuss the most important and common medical problems which complicate pregnancy, delivery and the puerperium. The management of medical disorders pre-dating pregnancy as well as those arising during pregnancy will be covered.

Course Directors: Professor Cathy Nelson-Piercy, Dr David Williams and Professor Catherine Williamson

To be held at: The Royal College of Physicians, London NW1 4LE
(please do not use this address for correspondence: see registration form for the Symposium Office address)

Registration fee: **£599**

Accreditation: Approved by the Federation of the Royal Colleges of Physicians of the UK for 16 category 1 CPD credits
